Lion Face - Halloween Pumpkin Carving Stencil

The Mighty King of the Jungle will look as ferocious and as majestic on your Halloween pumpkins this year as he does in his territory - the jungle. The gray parts i.e. the locks of the gorgeous mane, will be carved out and will glow beautifully when lit. To see how the carved Lion face pumpkin looks, go to http://celebrating-halloween.com/pumpkincarving/lion-face-halloween-pumpkin-carving-stencil.shtml. Print this page on an A4 size sheet. Enlarge or make small while printing, as needed depending upon the size of your pumpkin.
